Lyrics

Level 1: "Need Your Love"

I was searching for something
Something I knew was there but couldn't
see
I remember the moment
When the One I was searching for found
me

I can't make sense of it
No getting over it
How much Your love changed everything
All 'cause I know You now
How could I go without
Jesus You're more than enough for me

I don't need anything else
I need Your love
I need Your love
I don't want anything else
I need Your love
I need Your love
I need Your love

God I need You like water
God I need You like I need air to breathe
I won't take You for granted
I won't go back to how I used to be

I can't make sense of it
No getting over it
How much Your love changed everything
All 'cause I know You now
How could I go without
Jesus You're more than enough for me

I don't need anything else
I need Your love
I need Your love
I don't want anything else
I need Your love
I need Your love

Na-na-na-na-na-na
I need Your love
I need Your love

'Cause there's just one thing
One thing (one thing)
One thing I need
There's just one thing (one thing)
One thing (one thing)
One thing I need

I don't need anything else
I need Your love
I need Your love
I don't want anything else
I need Your love
I need Your love

I need Your love

I need Your love
I need Your love

Level 2: "You" Lyrics

Started from the bottom from the grey
concrete
Rose breaking through the trouble around
me
Looking for the water that will grow my
seed
Always knew God had a bigger plan for
me

'Cause it don't mean nothing
Don't care where you been
All that matters is you keep pushing
Ain't it nothing too hard, you can do all
things
Nothing in my way, I keep striving

Don't you let the struggle paralyze your
dreams
I had to realize the warrior in me
I may fall down ten times
But I hold to the promise that I can do all
things, oh

You
You can make it, you can take it
Don't let nothing get in your way
You
You was made for it, serve for it and pray
for it
'Cause there's big facts, big Lord
Nothing that my God can't do, yeah
You
You can make it, you can take it
Don't let nothing get in your way

Just because you're broken doesn't mean
you won't change

'Cause we were made perfectly to do
great things
And you know that he will never bring you
this far
To leave you in the battle when the
victory is yours

'Cause it don't mean nothing
Don't care where you been (where you
been)
All that matters is you keep pushing
Ain't nothing too hard, you can do all
things
Nothing in my way, I keep striving

Don't you let the struggle paralyze your
dreams (oh, no)
I had to realise the warrior in me
I may fall down ten times
But I hold to the promise that I can do all
things, oh

You
You can make it, you can take it
Don't let nothing get in your way
You
You was made for it, serve for it and pray
for it
'Cause there's big facts, big Lord
Nothing that my God can't do, yeah
You
You can make it, you can take it

Don't let nothing get in your way
In your way, in your way, in your way
Don't let nothing get in your way
In your way, in your way, in your way
Don't let nothing get in your way
